CANCELLATION – PFINGSTEN 2021

10 April 2021

Dear Friends,

Due to the prevailing COVID-19 pandemic-related restrictions in Germany regarding travel and accommodation, we unfortunately must cancel our “Pfingsten” race scheduled for **May 22nd and 23rd 2021**. It is with much regret that for two years in a row we cannot host our annual flagship event. It has been a cornerstone in the European race calendar for more than 50 years and we definitely want to reignite this tradition in 2022.

In the meantime and anticipating a better situation by the end of summer, we have decided to host a race in Kapfenhardt on **October 2nd and 3rd 2021**. Details will be confirmed in due course.

We apologize for any inconvenience caused and look forward to seeing you back at the racetrack soon – stay healthy!

Sincerely,
Renngemeinschaft Schwarzwald e.V.
